

Set Up Your Bali Smart Shades with Bond

Follow these 3 simple steps to connect your shades to the Bond Home Bridge and App

1

POWER YOUR BOND BRIDGE.

- Plug in your Bond Bridge using the included power supply.
- Wait until the light flashes green.
- Your Bridge is now ready for setup.

2

DOWNLOAD THE BOND HOME APP

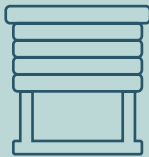

- Download and install the Bond Home app using the QR code.
- Create an account or log in, then follow the in-app instructions to add your Bond Bridge.
